

CURRICULUM VITAE

Dr. Sriniket Mohan Raghavan

M.B.B.S, M.S.(General Surgery-Gold Medal), M.Ch (Surgical Oncology)

Ph. No: +91 9920091021

Email : sriniket.raghavan01@gmail.com

Academic Details:

Graduation

Graduated M.B.B.S in 2010 from R.C.S.M Government Medical College, Kolhapur affiliated to M.U.H.S, Nashik, Maharashtra.

Internship:

Compulsory Rotatory Residential Internship at C.P.R Hospital, Kolhapur attached to the parent institute, between February 2010- March 2011.

Post- Graduation:

Post graduate residency in General Surgery in June 2012 - June 2015 at IPGME&R - S.S.K.M Hospital Kolkata affiliated to the W.B.U.H.S, Kolkata.

Work Experience

- Clinical Trial Fellow in Thoracic Surgery unit of Tata Memorial Hospital, Mumbai from August 2015 to January 2016
- Clinical Fellow in Paediatric Solid Tumour Disease Management Group of Tata Memorial Hospital, Mumbai from March 2016 to July 2016
- Post-Doctoral Residency for M.Ch (Surgical Oncology) from Aug 2016. - July 2019 In Tata Memorial Hospital, Mumbai
- Specialist Senior Registrar(ad-hoc Asst Professor equivalent) as part of service bond in TMH , Mumbai from Aug 2019- Sept 2020 (Includes 4 months experience in Government Cancer Hospital, Aurangabad)
- Fellowship in Thoracic Surgical Oncology in Dept Of Surgical Oncology, TMH, Mumbai Oct 2020- Feb 2021
- Assistant Professor in Department of Surgical Oncology , MPMMCC (TMC) , Varanasi from March 2021 to March 2022
- Fellowship in Minimally invasive Colorectal Oncosurgery & Peritoneal surface malignancy at Tata Memorial Hospital, Mumbai April 2022- September 2022.

- Worked as Clinical Associate with Dr Sanket Mehta in Mumbai with focus on Peritoneal Surface malignancies and GI malignancies (Oct 2022- Jan 2023)
- Working as Consultant, Surgical Oncology(GI and Thoracic surgery) in Medica Oncology, Medical Superspeciality Hospital, Kolkata since April 2023.

Papers and Posters Presented:

- “ Outcomes of Definitive Treatment of Signet Ring Cell Carcinoma of the Rectum: Is Minimal Invasive Surgery Detrimental in Signet Ring Rectal Cancers?” in Indian Journal of Surgical Oncology: July 2020
- “Functional Results After Nerve sparing Sphincter Preserving Rectal cancer Surgery: Patient reported outcomes of sexual and urinary dysfunction” published in Indian Journal of Surgical Oncology ;July 2023
- “ Pelvic Exenteration combined with cytoreductions for T4 rectal cancers with peritoneal disease – ANZ Journal of surgery; Nov 2023
- Published case report titled “ Leiomyosarcoma of the Inferior Vena Cava with bilateral renal vein involvement “ in April 2020.
- Published Video vignettes: a.) En bloc presacral fascia excision in case of locally advanced carcinoma of rectum. (Colorectal Disease Journal , December 2022) b.)VATS Posterior mediastinal mass excision : A video vignette (CTSnet ; March 2022) c.)Vascular variations during pelvic lymph node dissection for rectal cancers (Disease of Colon and rectum ; Feb 2024) d.)Pre sacral fascia excision for locally advanced rectal cancer : a video vignette of extended TME (Colorectal Disease;2023)
- Published reviews for papers:
 1. Evolving evidence for goal directed fluid therapy - Do we have concrete evidence yet ? in HPB(Oxford)2021
 2. Use of induction chemotherapy in locally advanced rectal cancers to increase the response rates: Is it actually helping? In EJSO, 2021
 3. Prognostic impact of pathological response in lymph nodes in oesophageal squamous cell cancers: Is it overrated? In EJSO 2021
 4. 4.Enigma of Hyperthermic Intraperitoneal Chemotherapy with Interval Cytoreduction Surgery : Need to push more boundaries
- Award winning poster presented in ACRISICON 2019 in Mumbai

1) Short term outcomes following laparoscopic versus open rectal cancer surgery post neoadjuvant radiation therapy 2) Exploring resection rates and metastatic patterns in colorectal cancers over 4 years in a tertiary cancer centre

- Presented award winning poster in NALCCON 2020 - A Surgical Audit of Lung Cancer with N2 disease
- Posters presented in European Colorectal Congress 2019 titled-a.) Adenocarcinoma of the Colon- Survival Outcomes and patterns of recurrence. b.) Outcomes of Multi-visceral resection in Colon cancer- A propensity matched analysis.
- Presentation selected for presentation in ASCRS 2020- The trend of Sphincter Preservation in Low Rectal Cancers : A 10 year audit.
- Poster selected for presentation in ACPGBI 2022– Functional results after nerve-sparing, sphincter preserving rectal cancer surgery: Patient reported outcomes of sexual and urinary dysfunction
- Presented 3 Posters and 2 Surgical Video Vignettes in ESCP Conference 2022 at Dublin :
 - a.) A novel technique for laparoscopic abdominopelvic resection with en-bloc right pelvic node dissection in case of locally advanced low rectal cancer involving seminal vesicle : A video vignette (b.) Pelvic exenterations for T4 rectal. Cancers with peritoneal metastases. Is it safe? (c.) Patterns of serum CEA in recurrent signet ring cell colorectal cancers. (d.)

Awards in Academia:

- Awarded the **Medal for Proficiency** in Annual Examination in the discipline of MS General Surgery in 2014 , I.P.G.M.E& R, Kolkata
- Awarded the Uma Rani Saha Medal for **Excellence In General Surgery** conducted by the ASI (West Bengal Chapter) in February 2015.

Summary: I am a Surgical Oncologist with training in minimally invasive gastrointestinal and thoracic onco-surgery from Tata Memorial Hospital, Mumbai. My aim is to be part of a high volume multi-speciality oncology unit providing quality cancer care & extending the benefits of minimally invasive surgery to maximum possible patients.
